Venue

Sendai International Center

Address: Aobayama, Aoba-ku, Sendai,
Miyagi 980-0856, Japan
Phone: +81-22-265-2211

Organized by

The Japan Wood Research Society

The Japan Wood Research Society (JWRS) was founded in 1955. With Japan headed towards becoming a high-growth economy, members in the Japanese Forest Society launched JWRS to support the acceleration of science and technology around wood and forest products. According to its constitution, the JWRS mission is to promote academic research that contributes to the sustainable development of a renewable resources-based society.
